

MONSANTO FUND

PLANT \$2,500 IN YOUR COMMUNITY AND WATCH IT GROW.

As a farmer, you care for our land and grow our economy. You make all of our lives better – locally, nationally and globally. To thank you, the Monsanto Fund wants to make a contribution in your name to your local community through the America's Farmers Grow Communities ProjectSM.

Go to www.growcommunities.com to register for this program. If you are selected as a winner, Monsanto Fund will make a \$2,500 grant to the local charity that you designate. One winner will be selected in each of the 298 eligible counties. It's up to farmers like you to decide where the money goes.
